DETAILED ACTION

This action is in response to the amendment filed on 10 January 2006 in which claims 2-8, 10-11, 13-16, and 21 are pending.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 2-8, 10-11, 13-16, and 21 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

These claims contain enumerable errors, for example:

Claim 5 recites the limitation "the area" in line 16;

Claim 16 recites the limitation "the area" in line 13; and

Claim 21 recites the limitation "the area" in line 19.

Since there is insufficient antecedent basis for the enumerable erroneous recitations in the claims, the Examiner requests the assistance of the practitioner to review and correct the claim language to speed up prosecution.
